## **SIGNIFICANT EVENTS/ACTIVITY:**

### **Gas Line Break and Evacuations in Yuba County**

Per the Cal OES Inland Duty Officer a construction crew hit and ruptured a gas line in a rural area of East Yuba County near Wheatland. Approximately 5 residents in a two mile radius mainly farms and dairies were evacuated. Highway 65 from 40 Mile Road to McGowan Parkway was closed. Also, McGowan Road from Hwy 65 to Hwy 70 near Olivehurst was closed, restricting access to South Beale Road at the back side of Beale AFB. Per CHP, Caltrans and the County, all roadways are in-process of re-opening at this time and all evacuations have been cancelled. PG&E is on scene and closed the gas line at 1700 hours. They expect repairs to be complete by 1830 hours. There are no reports of injuries. Yuba County has no plans to open a shelter at this time.

### **Irrigation Canal Break, Ord Bend, Glenn County**

The west levee of the Glenn-Colusa canal broke Tuesday morning 10/22/13 near Ord Bend in Glenn County. The breach left a 25-foot-wide gap in the levee just south of County Road 29, about a mile west of Highway 45. The canal is a 65-mile waterway that extends from Hamilton City to south of Williams. Per the Department of Water Resources (DWR) Flood Operations Center the privately owned canal is maintained by the Glenn-Colusa Irrigation District, and is used for rice and straw decomposition. The cause of the breach is under investigation. Per the Cal OES Inland Duty Officer there were no emergency management issues or requests for assistance. The repairs of the canal were to be completed today 10/23/13.

**Judge Grants a 60-Day Cooling-Off Period Approved In AC Transit Strike**

At the request of AC Transit management and Gov. Jerry Brown, a judge today granted a 60-day cooling-off period that bars the bus agency's employees from striking in the next two months.

### **Governor Brown Directs Recovery Assistance for Rim Fire and Requests Presidential Major Disaster Declaration**

In order to help mitigate the effects of the devastating Rim Fire in Tuolumne and Mariposa Counties, Governor Edmund G. Brown Jr. today signed an Executive Order that provides financial assistance to local agencies and non-profit organizations and directs additional assistance to support local recovery efforts.

Earlier this month in a letter to President Barack Obama, the Governor also requested a Presidential major disaster declaration for the state as result of this devastating wildfire – the third largest in California history-that started on August 17, 2013 and has burned more than 250,000 acres.

The request follows emergency proclamations issued for Tuolumne County on August 22, 2013, and the City and County of San Francisco on August 23, 2013 and Mariposa County on August 29, 2013.
